

## Store Revenue Performance - Coffee Shop Sales

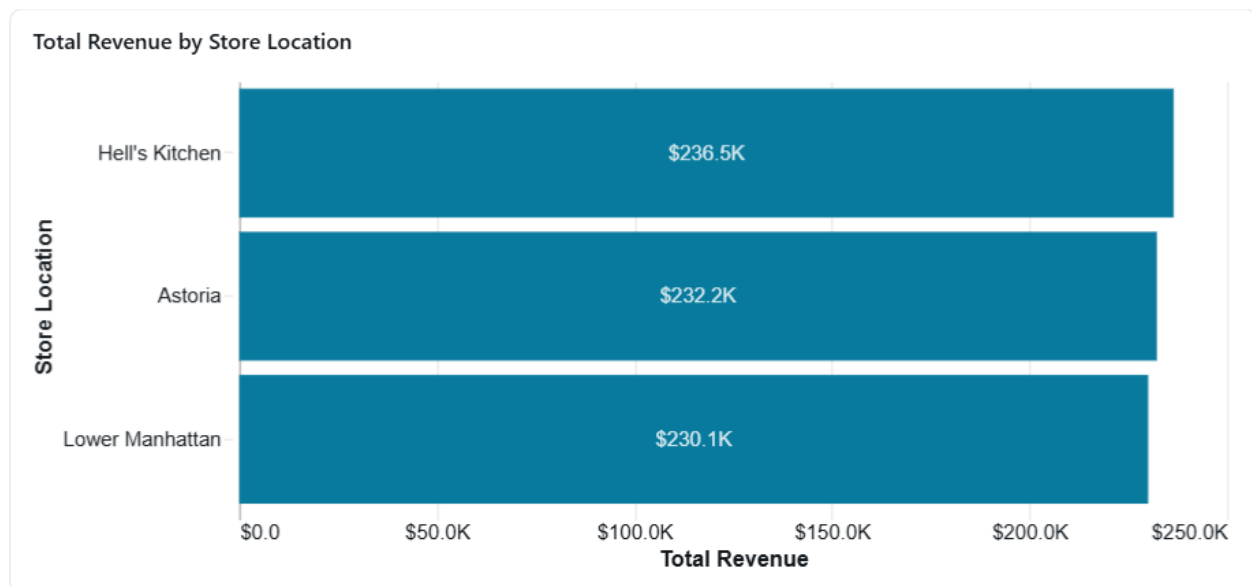

### Highest Revenue Store by Month

**Hell's Kitchen generated the most revenue in June 2023 at \$56,957**, making it the top-performing store for any single month in the dataset. Hell's Kitchen consistently led in monthly revenue across most months, followed closely by Astoria and Lower Manhattan.

### Overall Store Performance (January - June 2023)

Across the entire 6-month period, **Hell's Kitchen leads with \$236,511 in total revenue**, followed by Astoria at \$232,244 and Lower Manhattan at \$230,057. The three stores show remarkably balanced performance, with only a 2.7% difference between the highest and lowest performers.

## Key Insights

**Consistent Leader:** Hell's Kitchen maintained the top position in 5 out of 6 months, demonstrating consistent strong performance. Only in March 2023 did Lower Manhattan briefly edge ahead.

**Growing Trend:** All three stores show clear revenue growth from January through June, with June representing peak performance. Revenue nearly doubled from January (\$27K-\$28K per store) to June (\$54K-\$57K per store).

**Transaction Volume:** Hell's Kitchen's revenue leadership is driven by higher transaction volume (50,735 transactions) compared to Astoria (50,599) and Lower Manhattan (47,782), though Lower Manhattan has the highest average transaction value at \$4.81.
